Pune

Sub: Donation to your Alma-Mater

Res. Madam,

On behalf of Pune Sevasadan Society – Solapur, we would like to express our heartfelt gratitude for the pious thought of giving back to your Alma-Mater.

We were touched by your view that since Alma-Mater has now completed 100 years of educating girls thereby nurturing the backbone of the society and Nation and now it's for these alumni of the Girls school of whatever age to provide the much needed financial gift to the school.

Yourself at the age 77 years happen to be the much needed inspiration to all the passed out students of the school & society at large. Your fondly remembering school and generous gifting of Rs Two lakhs will be useful for the school.

We are thankful to you for your benevolent and faith towards your Alma-Mater. We will keep you updating on the impact of your support and hope to have privilege of your continued support in the future too.

With best regards

Mrs. Veena Patki,

Secretary,

Pune Sevasadan Society,

Branch- Solapur
