Sub: Gifting of Water cooler for the devotees

Dear Madam,

The temperatures at Akkalkot and surrounding areas during summer season soar above 42° and remain for more than 4 months. The devotees coming from far of places for the blessings of the Shree Maruti range from kids to elders whose thirst needs to be quenched.

We on the behalf of Trustees of the Shri Jagruit Maruti Mnndir, At. Post Goudgaon (Budruk), Tal: Akkalkot, Dist: Solapur we express our thanks to your foundation for donating the watercooler to the devotees visiting the temple.

The water from the cooler will surely satisfy the devotees and give them the much-needed pleasing relief from the scorching heat.

We thank your foundation for the benevolent cause.

With regards

श्री जागृत मारुती मंदिर गौडगांव बु ॥
