Sub: Gifting of play items - Swing, See-Saw, SlideC Merry-go-round

Dear Madam,

On behalf of SDSPM's Dnyanada English Medium School, we would like to express our heartfelt thanks to your foundation for gifting of the play items for our primary school students.

In an era where the kids and students are being lured by the mobile, internet, computers etc, an attempt by your foundation to attract these kids to reach the ground and undergo physical exercise and feel the joy and happiness is worth appreciation.

The foundation's motive will be fulfilled and assist in nurturing a sound strong and happy next generation.

We thank your foundation for the generous cause.

With best regards
